

4014

4014 LED technology

The 4014's unique structure ensures superior elliptical light output and improved thermal performance over alternative chip designs.

Perfect for linear lighting typical in point of sale displays, the narrow width of the LED means it can be used on boards and tape as narrow as 4mm.

4014 LED diodes are specified and used by retailers including Next, Boots and Morrisons.

Product features

- Up to 150 lumens per Watt
- 3 MacAdam ellipse
- Up to 90 CRI
- L80 - 63,000 hours
- Superior spectral performance
- 12V or 24V
- Operates between -40 and 60°C

Colour options

WW 2,900 - 3,000K

NW 3,800 - 4,000K

DW 5,700 - 6,000K
