

Advance LED Lighting Solutions new highbay offers an exceptional efficiency of 120 lumens per watt in the Orion. The heavy duty aluminium die-cast construction combined with the latest LED chip technology and extended operating temperatures, provide the ruggedness and high performance required for modern industrial, warehousing and commercial spaces. The Orion highbay is supplied with an IP65 rating for use in most industrial applications. Lifetime is 50,000 hours to L70 with an output of 24,000 lumens and power consumption of 200 Watts.

Key features

- Colour temperature 5000°K
- Operating temperature (range): -40° to 50°C
- CRI: >80
- IP rating: IP65
- L70 50,000 hours
- Warranty 5 Years
- Wattage: 200W
- Impact rating IK08
