

Advance LED Lighting Solutions circular wall and ceiling mounted Vela offers a decorative low profile surface luminaire ideal for lighting circulation areas. The Vela also comes with switchable colour temperature between 3000°K and 4000°K and an emergency option to work as a two in one luminaire for areas such as staircases where it makes sense to have one product do it all.

The 22W version has a diameter of 355mm and the 27W version 435mm
